

EVERGLADES RESCUE: Send the Water South

Presented at the 34th Annual Everglades Coalition Conference in 2019

President Trump and U.S. Congress

MISSION:

1. Fully fund the Comprehensive Everglades Restoration Plan at \$200M per year.

Governor DeSantis and the Florida Legislature

MISSION:

1. Fully fund the Comprehensive Everglades Restoration Plan at \$200M per year.
2. Strengthen protection for all waters – Everglades, estuaries, springs, lakes, rivers, coastal waters and beaches:
 - Stop pollution at its source for all waters;
 - Protect water supply for the environment as an essential need;
 - Acquire land needed for water storage, treatment, and conveyance; and
 - Enact and enforce protective Basin Management Action Plans for impaired waters.
3. Restore strong statewide and regional land use planning to protect our remaining natural areas and guide sustainable growth to bolster our economy and communities.

Citizen Action Plan

MISSION:

1. Join us in Tallahassee for Everglades Action Day April 7 & 8, 2019.
2. Write, call, email, meet, and tweet your local, state & national elected leaders and ask them how they are working to advance the Everglades action plan in 2019.
3. Introduce a friend to the Everglades! Spend time outdoors in the place we love.
